# JAPAN SOCIETY OF SAN DIEGO AND TIJUANA

JAPAN  
SOCIETY

Mission:

*To promote goodwill and advance business, civic, educational, and cultural interchange and understanding between the people of Japan, San Diego, and Tijuana.*

Founded in 1996, the Japan Society of San Diego and Tijuana (JSSDT) is a non-profit membership organization of individuals and corporations with a focus on tri-national relations between Japan, the United States, and Mexico. The JSSDT is an affiliate of the National Association of Japan-America Societies headquartered in Washington, D.C.

Tournament proceeds support the ongoing activities and operations of the Japan Society of San Diego and Tijuana.

## AJ CUP

The AJ Cup is named in honor of Mr. Arthur Jonishi, 2002 recipient of the JSSDT Business Leadership Award. AJ was instrumental in choosing San Diego as the home for Kyocera, the first Japanese-parented manufacturing company in California. In addition, he helped establish and served as the first chairman of Minato Gakuen, a school for children of all Japanese expatriate families in the San Diego and Tijuana region.
